Volunteers SUMMER Programme 2017 May - August

MAY

Sundays 7 and 21 May *Mile and a Quarter*

In April we cleared a portion of the bank so the cowslips could be seen but it is a long footpath. So we have decided to devote both of May's tasks to this area to give all the wild flowers there a chance to lap up the summer sun.

- *Meet 10am Beggars Hollow Car Park,*

Clay Hill, EN2 9JN.

JUNE

Sunday 4 June

Conway Recreation Ground

Last time we cleared a stretch of leylandii roots following the parks department removal of the top growth. The Friends have now replanted that stretch with native plants and have “begged” us to come and finish digging out the remaining roots.. How can we refuse!!

- *Meet 10am by the Tennis Club, Conway road N14 7BE*

Sunday 18 June

Trent Park

More rhododendron clearance is on the books for this task. Although we have cleared large swathes of this invasive shrub there is still plenty left for us to work on.

- *Meet 10am Council works yard, at top of Snakes Lane, by the Wildlife Rescue centre and café EN4 0PS*

JULY

Sunday 2 July

Details correct at time of going to press

Social Walk

As Trent Park are hosting a 5km Bubble Fest Family Fun Walk (complete with bubbles and foam), we may not be able to access our tools. So following last year’s successful(!) stroll and pub lunch at the Plough, we have decided to do it again. **Let Judy know by 17th June if you intend coming.** *Further details nearer the time.*

Sunday 16 July

Conway Recreation Ground

The Friends group have asked us to join them again. Assuming we finished the leylandii root removal last time, there will be something different to do. [Or has the Wimbledon men’s final venue been moved?]

- *Meet 10am as for 4th June.*

Sunday 30 July

Whitewebbs

Another visit to the large pond near the King and Tinker pub to control the self suckered willow growing around the edge.

- *Meet 10am in the car park within the entrance to Whitewebbs just west of the King and Tinker off Whitewebbs Lane.*

AUGUST

Sunday 13 August

Whitewebbs

It is two years since we cleared the vegetation on and around the aqueduct in Flash Lane. The notice board adjacent to this historic monument says we look after it, we will.

- *Meet 10am Beggars Hollow Car Park, Clay Hill, EN2 9JN.*
